

# *Kate - the classic yawl*

Kate - launched 2006.

Built to the 1908 plans of an Alfred Mylne International 12 metre, Kate was launched in 2006. Her rig was modified in 2010 to a yawl which the owner feels has made a significant improvement to her handling and racing performance.

Kate's construction is of Oregon pine epoxy over laminated mahogany frames. No tanks, engine or electrics. Self-tailing winches. Hand-held GPS and VHF.

LOA: 23.75m  
LOD: 18.40m
